

Quality Policy

BNL (UK) Limited designs and manufactures injection moulded, CNC machined plastic components and functional assemblies. BNL is committed to achieving customer satisfaction and to becoming a supplier of choice and key partner for our customers.

We assure our commitment by:

- Maintaining, reviewing and continuously improving our Quality Management System in accordance with ISO/TS16949:2009
- Maintaining and developing our culture of focusing on customers requirements and satisfaction
- Establishing and tracking Key Process Indicators to measure our performance and facilitate continuous improvement
- Involving and empowering our employees and developing their talents, skills and capabilities
- Continuously improving the capability, efficiency and flexibility of our manufacturing processes using lean manufacturing techniques
- Developing close strategic partnerships with our key suppliers
